Q. Would you give us more details of the Steve Bannon revised experiment of man living in an eco-bubble?

14:02:39 From paulhenrybeckwith@gmail.com to Everyone:

C. Biosphere 1 is everything external to Biosphere 2.

14:07:52 From Ted Manning to Everyone:

Q. I feel that this is strongly based on the perceptual divorce by humans from the ecosystems upon which they depend and their delusion that the problem and its solution is a zero-sum game. How fix this?

14:14:16 From Paul Beckwith to Everyone:

C. Can we see the book list again? It was shown too quickly.

14:15:30 From Art Hunter CACOR to Everyone:

C. The entire PDF file of slides will be available tonight about 7 p.m. so you can download it. I will put it all up on our Website.

C. Challenge for CACOR. Alliances of Gen Z and Elders a way forward.

14:18:16 From Peter Bulkowski to Everyone:

Q. In the Amazon summary of your book "Interdependence inherent to globalization will not function if winning-is-the-only-thing mindset continues to prevail in U.S. and the West." Okay. What changes in mindset, and how do you perceive those would be achieved, in Russia, China, Iran, Venezuela, & others?

14:21:37 From Phil Reilly to Everyone:

C. Having been in Biosphere 2, my take is that in small groups, people have more difficulty. There is a conflict about who is the leader.

14:30:40 From Paul Beckwith to Everyone:

C. Book by Douglas Rushkoff

“Survival of the Richest: Escape fantasies of the billionaires.”

14:50:50 From Walter Knitl to Everyone:

C. Great presentation and discussion. I think the overarching takeaway for me is that we need to put humanity back into humanity so we can save humanity

14:52:48 From Raymond Leury to Everyone:

Q. How do we become the Qanon equivalent in being able to spread information, but correct information instead of disinformation?

14:55:18 From Bill Pugsley to Everyone:

Well put, Walter, and the answer seems to be to look for leadership from leaders who are women and older men who introduce humanity things like empathy and communications into the important decisions the world has to make. Also thanks to Hector for a thought provoking presentation.

14:57:09 From Phil Reilly to Everyone:

Q. What is the role of religion in moving forward?

14:58:23 From Raymond Leury to Everyone:

C. Religion is (almost by definition) divisive, so I don't see a role for religion as we can't get people to agree on religion.
